LAST TENDER 3:00p

WELCOME TO GRAND CAYMAN

Today, we will anchor and use tenders to transfer guests to and from shore. If you wish to go ashore before 12:00p, you may choose a tender using your in-stateroom television (iTV). To book through iTV, please select Entertainment and then select Tendering from the main screen. After choosing a tender group, your Freestyle Card will serve as your ticket. Please proceed to the Escape Theater only after your tender group has been announced over the PA system. If you are on a shore excursion, there is no need to make a reservation. Your excursion ticket serves as your tender ticket. Since the ship will be anchored and using a tendering process, please be aware that it will take longer to disembark the vessel as opposed to when the ship is docked in port.

TIP OF THE DAY: Make today one to remember, whether that's by sipping sunset cocktails or swimming with stingrays.

IMPORTANT SAFETY INFORMATION

Please be advised that the U.S. Embassy recently published a safety warning for the Bahamas due to an increase in crime against tourists, such as robbery of personal items. Visitors to the Bahamas, like visitors to all foreign countries in the world today, need to be mindful of their personal safety. We recommend that guests not venture too far from tourist areas or in the alternative consider participating in an organized tour. Also, to lower your risk of being a victim of petty theft or crimes, please consider leaving valuables and irreplaceable items in your stateroom. We suggest you avoid wearing expensive jewelry, carry only the cash or credit cards that you will need on each outing and keep your belongings secure and out of sight. This common sense approach and heightened level of awareness will help you enjoy your visit today.

Due to safety training for the crew, the adult pool on Deck 16, Mid will be closed from 8:00a-10:00a.
